fashion and shopping

22 Editor's Letter Brandon gets a reader letter that changes our approach to plus-size, and we introduce MyLucky, the newest, easiest-ever way to shop in *Lucky*!

24 Dear Lucky Jean Godfrey-June answers your questions, from how to look cute in the rain to the hottest nail polish to the jacket that makes a summer dress perfect for fall.

35 Layering! Mastering chic, piled-on style is easier than it looks. We show you how, using the season's key pieces (and some you already own).

44 Office Spy Digital agency Createthe Group designs extra-stylish websites for brands like Fendi—and its staffers show that same finesse in dressing for work.
